Re: Extension of Filing Deadline for 2023 Annual Operations Report

Dear Luca Panizzi:

On January 12, 2024, we received an electronic request that ExxonMobil Pipeline Company (EXXONMOBIL) be allowed to delay submission of its 2023 annual report until April 30, 2024. We reviewed the request and determined that the extension should be granted.

EXXONMOBIL indicated that an extension is necessary because the company has not yet completed its FERC Form 6 for 2023. EXXONMOBIL suggested that its requested extension deadline of April 30, 2023, would provide sufficient time to finalize its annual report.

We grant EXXONMOBIL permission to extend the annual report filing deadline to a date no later than April 30, 2024; however by March 31, 2024, EXXONMOBIL shall report to the Commission the selected annual report data requested in our Utility Annual Report Online by logging in at <https://rca.alaska.gov>.

EXXONMOBIL's attention to this matter is appreciated. If you have any questions regarding the contents of this Letter Order, please contact Kevin AufDerHeide, Financial Analyst, at kevin.aufderheide@alaska.gov.

BY DIRECTION OF THE COMMISSION

Sincerely,

REGULATORY COMMISSION OF ALASKA
